

# Cubby Etiquette

- Staff and Rabbits only please!
- Looney Labs is not responsible for any lost or stolen items. Please keep an eye on your stuff!
- Label your games/purple bag so confusion is kept to a minimum.
- Please try to keep this area tidy. Keep stuff in the cubbies instead of flowing out of them.
- Please don't use up too many cubbies for a long time (like all weekend). It's better to store stuff in your room.
- Lab Coats are best hung up when not in use. Stuff tends to fall out of your pockets when you wad them up into the cubbies.

# THANKS!
